1 Q Are they also required to qualify on patrol
2 rifles?

3 A No. That's optional.

4 Q Is there any special training that the
5 Maryland State Police requires of its officers if they
6 are going to use patrol rifles?

7 A Yes, sir.

8 Q And what training?

9 A That's a totally separate school. It's
10 three days, 24 hours of training. Separate set of
11 standards. Everything. Same thing with the weapons,
12 whether they're issued weapon or providing their own,
13 they have to qualify with at least 80 percent on their
14 regular primary weapon to even be qualified to even
15 enter that program.

16 Q And do they have any annual or other
17 periodic qualifications --

18 A Yes, sir. They have to qualify twice a
19 year.

20 Q And what does that qualification consist
21 of?

1 A Yes, sir.

2 Q But you no longer have that duty once
3 you're retired from the Force; am I correct?

4 A That's correct.

5 Q Does the Maryland State Police have records
6 on the type of firearms used in crime in Maryland?

7 A We capture UCR data from crime reporting
8 systems. Data that we reported to the FBI. Locals
9 report it to the State Police. We're the clearinghouse
10 for the State of Maryland.

11 Then it's reported to the FBI, but it only
12 categorizes handguns, rifles, other, as far as
13 firearms. There are knives, you know, fists, stuff
14 like that, but firearms is under the categories I told
15 you.

16 Q Let me just understand. Handguns, rifles,
17 and other?

18 A Other. Right. If there's something that's
19 not clearly marked.

20 Q Would a shotgun be listed as a rifle or
21 other under that system?

1 Q Who would know that at Maryland State
2 Police?

3 A Well, if it's going to be in a pistol
4 model, the technical experts they're using for the
5 Handgun Roster Board would know that.

6 Q Is an M16 banned by SB 281?

7 A A military model would be, yes, sir.

8 Q Why would a military model be banned
9 under --

10 A It's a military weapon.

11 Q SB 281 bans enumerated firearms that are --

12 A I'm not -- I'd have to look at the list
13 specifically.

14 Q And I'm not trying to trick you. I just
15 want to focus you on the enumerated firearms do not
16 include military firearms in the sense of fully
17 automatic and with the exception we discussed before,
18 the AK47 all types.

19 A Um-hum.

20 Q The M16 is not on the list; would you agree
21 with me?
